DONOR RECOGNITION WALL

Rising Tides is a 501c3 non-profit supporting youth and community aquatics. Established in 2018 and reinvigorated in Fall 2021, the board members are parents of Aquaventure Riptides and Trident swimmers. Donations will support our swimmers, swim teams, and scholarships for swim lessons and swim teams. A long-term goal is to help fund the purchase of electronic timing equipment to benefit Riptide swimmers as well as our local area high school swimmers.
